

GP Referral Letter

Dear Colleague,

I would be grateful for your urgent assessment of Mrs Julia Harris (DOB: 02/08/1975), who has presented with a 6-week history of unexplained weight loss and fatigue.

BACKGROUND

Mrs Julia Harris has a background of type 2 diabetes managed with metformin 1 g BD and hypertension on ramipril 5 mg OD.

EXAMINATION

Weight: 68 kg (down from 76 kg 3 months ago). Abdomen: non-tender, no organomegaly. PR examination unremarkable.

INVESTIGATIONS

FBC: Hb 109, MCV 71 — microcytic anaemia
Faecal occult blood: positive

I would be grateful for urgent 2-week-wait colorectal referral.

Yours sincerely,
Dr Dr Gerard Lucas
